Be the Architect of
Your Career

"Finding Your Career" Workshop
with Wendy M. Miller, SPHR, SHRM-SCP

Tuesday, July 17, 5:30-7:30 pm

The Women's Initiative, 1101 East High St.

Are you tired of going from job to job? Do you wonder how to go from just having a job to having a **career**?

Just as an architect makes the plans for what will eventually be a beautiful structure, you can design the path that will lead you to the career you want.

Join us for a workshop that will provide tools and support to establish and achieve goals in your professional life.

Participants will also be eligible for a separate one-on-one consultation with Wendy Miller.

Free. Space is limited. To register:
(434) 872-0047 or info@thewomensinitiative.org
